Objective

I am looking to make a career change into the technology industry. I am currently enrolled in the UCF Coding Bootcamp learning full-stack web development. I graduate in July 2017, however I am eager to get into the industry and get real world experience as soon as possible.

Experience

August 1999 - PRESENT

Urban Sunshine, Orlando, FL – *General Manager*

- Helped raise the company from 1 small store to a chain of 4 locations.
- Gained skills in leadership, organization and business management.
- Experience in running and maintaining an e-commerce website www.urbansunshine.com.

September 1994 - May 2000

Toucan Willie's Restaurant, Orlando, FL – *Asst. Kitchen Manager*

- Gained a strong work ethic and dedication to performance.
- Worked my way up from dishwasher.

Education

January 2017 - July 2017

UCF Coding Bootcamp, Orlando FL – *(certificate pending)*

An intensive 26-week long boot camp dedicated to designing and building web applications. Skills learned consisted of HTML5, CSS3, Javascript, JQuery, Bootstrap, Firebase, Node.js, MySQL, Express, Handlebars.js (also to cover before completion MongoDB & React.js).

September 1997 - May 2000

Valencia College, Orlando FL – *Associate in Arts Degree*

General Studies focusing on the humanities along with some fine arts classes.
